### Items Discussed

#### **Committee Membership**

The Committee agreed to co-opt Dr Simon de Sousa as a member, ensuring representation from practices operating outside Primary Care Networks.

#### **Any Other Business**

Several practical matters were discussed, including confirmation of study leave entitlement for GP registrars during hospital placements, ongoing challenges related to nationally capped weight-management medication services, practice arrangements over the Christmas and New Year period, and clarification regarding the involvement of healthcare assistants in vaccinations based on existing guidance.
