Join Our Team as a PCN Clinical Pharmacist

Are you a motivated Clinical Pharmacist looking to make a meaningful impact in primary care? Do you thrive in collaborative environments where your expertise is valued and your ideas shape the future of patient care?

North East Derbyshire Primary Care Network Ltd (NED PCN) is seeking a passionate and proactive Clinical Pharmacist to join our dynamic team. You'll work across four forward-thinking GP practices delivering high-quality, patient-centred care:

Barlborough Medical Practice
Killamarsh Medical Practice
The Springs Medical Partnership
The Valleys Medical Partnership

With a patient population of just over 40,000, NED PCN is large enough to support a robust clinical team, yet small enough to maintain a friendly, approachable culture. All practices are conveniently located near the M1, making us easily accessible from Chesterfield, Sheffield, Derby, and Nottingham.

What You'll Do (*Please refer to the Job Description and Person Specification for further supporting info*)

- Conduct structured medication reviews and optimise prescribing for long-term conditions.
- Promote safer prescribing practices and reduce medication-related harm.
- Use digital tools and audits to enhance clinical outcomes.
- Provide expert advice to patients and colleagues.
- Contribute to the evolution of pharmacy services in primary care.
- Work collaboratively across all practices to ensure consistent standards, shared learning, and seamless service delivery.

What You'll Get

- A supportive, values-driven team that celebrates your contributions.
- Protected CPD time and access to advanced clinical training.
- Opportunities to train as an Independent Prescriber (if not already qualified).
- A platform to share your ideas and see your impact.
- Monthly protected in-house training and educational support.
- Free parking and no weekend or evening shifts.
- Access to NHS pension scheme and wellbeing resources.
- Eligibility for NHS discounts (e.g. Blue Light Card, Costco).
- Online payslip access via Paycircle.
- Generous annual leave entitlement based on continuous service.

Continuous Service	Number of Days Annual Leave (pro rata)
Under 2 years	27 Days
2 years but less than 4 years	28 Days
4 years but less than 5 years	29 Days
5 years or more	30 Days

What We're Looking For

- GPhC-registered pharmacist.
- Experience in primary care or a strong desire to learn.
- Excellent communication and teamwork skills.
- A forward-thinker who's ready to challenge the status quo.

Whether you're already in a PCN role or transitioning from community or hospital pharmacy, we'd love to hear from you.

Additional Information

- Full-time and part-time applications welcome.
- Permanent position (not under Agenda for Change terms).
- We are currently undertaking a piece of work to explore the implementation of payscales, aiming to ensure fairness, consistency, and transparency in our approach to staff remuneration.
- GPhC registration fees are not reimbursed.
- Core working hours: Monday to Friday, 8:00am – 6:30pm.
- You'll be supported by a team of Clinical Pharmacists, GPs, and other clinicians, with opportunities for further training and development.
