

General Medical Advice and Support Team (GMAST) NHS England NHS Improvement

General Medical Advice and Support Team (GMAST) has been established across the Midlands region to support the CCGs in the administration of GP Contracting across the region from 1st April 2020. GMAST will be working on behalf of the CCG in processing contracting queries and claims, which can be sent to the GMAST email address:

GMAST Email Address: england.gp-contracting@nhs.net

For all claims or enquires relating to the provision of services, should be directed to the GMAST email. The GMAST email address will become fully operational on **1st July 2020** and will replace the following NHS England GP contracting generic emails on **30th June 2020**:
