

Thank you for completing
our COVID and resilience
survey and letting us
know how you feel

**Over 70 practices completed our COVID recovery
and restoration survey**

- 80% of you said you would like support with Flu planning including the adaptations to reflect COVID working
- 55% said you wanted to hear more about managing appointment demand
- 59% of Derbyshire Practices self-rated as excellent or good for their practice resilience, with 27% satisfactory underneath the first section

The intel from surveys such as these provides us with insight into your current and future needs

We plan to deliver webinars on

- Flu Planning
- Practice Team Wellbeing
- Appointment systems

New programmes launching this autumn

- Peer group coaching/ Shapes Sets for Practice Managers
- Induction Schemes for new Practice Managers
