

Does your patient need an ambulance?

From 1 October 2019 call the
below healthcare professional
numbers for emergency and
urgent transport to hospital
and between hospital sites

**0115 967 5099 or
01522 781 891**

Please note: You will be asked clinical questions about the patient's condition. In a life-threatening situation or an emergency request, it is the responsibility of the attending clinician to make the call. Where delegation is unavoidable, the individual making the request for support should be in a position to answer triage questions about the patient's condition.

The healthcare professional number is not for use by members of the public.
