## SALARIED GP

Salary – £112-120k p/a pro rata  
plus benefits including NHS Fleet,  
Westfield and Cycle2Work

## ABOUT US

Hello! We are Royal Primary Care Derbyshire. We are a team with a vision; to **improve the health and well-being of our patients, their families and the wider community**. We have brought together a highly performing multidisciplinary team who are committed to **delivering innovative primary care**. Find out more about RPC on our website. We are looking to expand our team with the best clinical talent empowered to do what you do best – deliver high quality patient care.

## ABOUT THIS ROLE

- We are looking for a motivated and enthusiastic GP to join our multi-disciplinary team of clinicians.
- We use SystmOne and actively look to maximise digital tools to improve the way in which we work.
- We are keyed into addressing health inequalities and work with a range of system partners.
- We offer a range of flexible working options
- You will be working within a sector focused on a natural community to provide continuity of care and promote effective multi disciplinary team working.
- Our business support services team reduces the clinical administrative burden.
- We actively encourage personal development including the opportunity to develop skills across disease management areas which are remunerated in addition to your base salary.
- We are a training practice with a large and active research department.

We are looking for 6-8 sessions/week but are willing to be flexible for the right candidate

If you wish to book visit or come and meet the team, please contact [amanda.clark@nhs.net](mailto:amanda.clark@nhs.net)
