

The Old Station Surgery

General Practitioner Advert

10.12.2018

Salaried GP with a view to Partnership/ Partner

Old Station Surgery has been providing an excellent care to communities in and around Ilkeston for over 100 years. We are one of the largest practices in the area with a current list size in excess of 15,000 patients, spread over 3 sites. We have an established clinical and administrative team and as a practice are committed to provide best possible care in a friendly and supportive environment. We are Nottingham University Teaching practice and are currently working towards becoming Full Training practice.

We are a team of 7 partners and 3 salaried GP's supported by excellent team of ANP's and Practice Nurses, Senior Clinical Pharmacist, Pharmacy Technician and well established administrative team.

We are high QOF achieving Practice, rated Good by CQC. We look after several Care Homes and work together with local hospitals to provide ward cover. We provide wide variety of services from nurse led triage and minor illness clinics to minor ops and INR clinics.

We offer:

- Competitive salary-dependant on skills and experience
- MDU cover
- 6 weeks annual leave + 1 week study leave
- NHS Pension
- Opportunity to work in a supportive team with clearly defined responsibilities and lead areas

We are looking for:

- Salaried GP who will be interested in joining our Partnership, or a Partner. Please note there is no need to buy into the Partnership.
- 4-6 sessions; starting from September 2019
- Both experienced and/or newly qualified Doctors who can bring new ideas and innovative approaches to the way we deliver our services. Additional interests are welcome.
- A GP who values teamwork.

For any queries or to arrange an informal visit, please contact Anna Bednarska, Business Practice Manager on 0115 930 1055.
