

**St Lawrence Road Surgery**  
**GP Partner / Salaried**

Enthusiastic motivated partner or salaried GP sought to work in a dynamic, successful, high QoF achieving, SystmOne based practice with a population of 4500 patients. Up to 6 sessions per week, competitive salary, 6 weeks holiday, 1 week study leave, start date negotiable for right candidate.

We are a PMS practice with 2 GP partners, 1 salaried GP along with 1 ANP, 2 Practice Nurses with 2 HCA's.

Excellent administration and coordinator teams.

We are a medical student training practice, in partnership with Sheffield Medical School and participate in Research projects in partnership with Nottingham University.

We pride ourselves on being a caring practice, looking after both staff and patients. We offer patients superb access and care, being voted the second best practice in the Chesterfield area by readers of a local newspaper and having a CQC rating of Good.

We are located in a village in North East Derbyshire close to Chesterfield and the Peak District. We are a collaborative partner in the development of place based services with neighbouring practices with close links to our CCG.
