GP Clinical Lead Roles for GP Workforce and Retention

Expressions of Interest

An exciting opportunity has arisen for 2 GPs working in General Practice in Derbyshire to work with the General Practice Task Force, Derbyshire (GPTF) in supporting and developing GP workforce schemes across the county. You will be working in partnership with key stakeholders including Derby and Derbyshire CCG, NHSE, Joined up Care Derbyshire and local clinical leads.

We are looking for GPs who are passionate about workforce and improving GP recruitment, transition and retention. The 2 roles are:

- GP WORKFORCE LEAD - Regional Retention Strategy:** A GP with a passion for workforce and GP retention to support, co-ordinate and help develop the workforce projects delivered by the GPTF. The individual will also assist in delivery of a single point of access right across the GP career pathway from training, transition and development within local general practice.
GP Workforce Lead - Regional Retention Strategy: 8 sessions per month, fixed-term for 12 months at a rate of £280 / 3.5 hour session.
- FIRST5 GP CLINICAL LEAD:** A GP to develop the offer for First5 GPs across the county. The successful candidate will help inform, shape and develop services, strategies and initiatives aimed at improving retention of GPs. This lead will work at an STP footprint level engaging with local GPs and represent the Midlands and East First5 Regional Network that feeds into the Regional Retention Group
First5 GP Clinical Lead, 4 sessions per month: fixed-term for 12 months at a rate of £280 / 3.5 hour session.

Applicants must be practising General Practitioners. For the First5 role, the GP should have completed training within the last five years.

The successful candidates will possess excellent communication skills; have the ability to build good working relationships with stakeholders and be able to engage with and provide leadership to a range of colleagues.

Both roles will be supported by the GPTF Executive and Operational teams.

Closing date: Sunday 16th June 2019, 11.59pm

Proposed interview date: Monday 24th June 2019, 12-2.30pm

Please send the completed Expression of Interest along with your CV including details of 2 referees to ddlmc.gptf@nhs.net.

Job Description and Person Specification

GP Workforce Lead – Regional Retention Strategy

Background

The current workforce strategy for General Practice has evolved over a number of years with the support of multiple stakeholders. Through GP Forward View investment, the GPTF is leading a number of workforce strategies to improve retention.

Further investment will now support a dedicated Clinical Lead sitting within our existing team. The role of the clinical lead would be to lead and develop workforce strategies across Derbyshire and contribute to a wider regional working group. The main deliverables of the leads will be to:

- Work with the GPTF to support initiatives creating impact and meaningful retention for GPs in Derbyshire
- Deliver planned activities and programmes (identified by the network, GPTF and NHS England) or identify and facilitate activities for the continued professional development of GPs
- To create a network of clinical leads for retention drawn from each STP
- Where possible design and deliver regional and sub regional scalable technical solutions for accessing services including
 - Coaching and mentoring
 - Portfolio careers opportunities
 - Job vacancies
 - Training and development opportunities
- Agree standards for design and delivery to ensure consistency
- Provide a platform for collaborative working and shared experience
- Report/contribute to governance arrangements requirements, i.e. attending Midlands & East network and sharing resource/information across regional footprint and reporting to regional retention group

This is a unique opportunity to work at a strategic level in a supported environment within the GPTF.

Applicants must be practising General Practitioners who will work with our existing GPTF team and soon-to-be-appointed First5 Lead. The successful candidates will possess excellent communication skills; have the ability to build good working relationships with stakeholders and be able to engage with and provide leadership to a range of colleagues.

Further details of the requirements can be found in the attached job description.

Expressions of interest should be supported by your CV and details of 2 referees.
