

## **Mickleover Medical Centre, Mickleover, Derby DE3 OHA.**

### **Opportunity for the right, forward thinking GP**

Would you like to commit to a forward-thinking GP Practice as a long term career?

Could you share and develop skills and ideas with our GP's to engage with the Practice community and let it grow?

If so, this is a superb role for a GP looking for a new partnership opportunity.

The Practice has a stable existing partnership and is a Partner owned premises. The Practice is well organised, forward thinking and dynamic. We are an innovative partnership team with a constant view to improvement.

The incoming GP can expect a supportive clinical team. The Practice has recently gone through a restructuring, resulting in an enthusiastic and cohesive workforce, with a positive attitude.

Our Nursing Team are second to none with their efficient all day triage, with two of the team Nurse Prescribers.

The Practice is well established and respected locally. It runs a number of enhanced clinics, including Minor Ops, Diabetes and Contraceptive Implants and Coils. A new Partner would be encouraged to develop in any areas they were interested in, that benefitted the Practice.

We are also a Teaching Practice for Medical Students from the University of Nottingham.

At present the Practice benefits from a home visiting service through working at scale with other Practices (PCN) in the vicinity . The GP's have on-call morning and afternoon sessions to cover non-acute visits, to support the workings of the Practice and the patients we serve.

Your sessions can be tailored to your working pattern and to a mutual benefit. Parity, where appropriate will be discussed with the successful applicant.

### **Key Information:**

6-8 sessions a week available

GMS contract

### **Key Skills and Qualifications:**

GP registered with the GMC  
Possess the right to work in the UK  
Included on NHS Performers list

The Practice offers easy access to both the countryside and city centre. There is an excellent rail network, along with the Peak District National Park nearby and its easy access to outdoor pursuits.

There are some excellent schools, both state and private. We also have the local Royal Derby Hospital, rating as a high performing trust on our doorstep.

Mickleover is a thriving suburb of Derby with extensive new housing developments.

If you feel you have the qualities and skills to succeed in this new and exciting role, we would love to hear from you. Please send a CV and covering letter to Emma Wall, Practice Manager by email [emma.wall5@nhs.net](mailto:emma.wall5@nhs.net).
