

**Advanced Clinical Practitioner (Band 8a)**  
**3 days per week (Tues/Thurs/Fri) 22.5 hours pw (6 sessions)**

**Job Profile**

Wilson Street Surgery is a GP Practice in Derby City Centre with a patient population of approximately 14,500 patients.

We are seeking to appoint an enthusiastic and committed part-time Advanced Clinical Practitioner to join our practice team. Our team consists of 9 GP Partners, 2 ACPs and a Pharmacist, 4 Practice Nurses and 1 Healthcare Assistant, a Practice Manager, 2 Assistant Practice Managers and reception /administrative support staff.

We envisage that the successful candidate will adopt a highly proactive and collaborative approach in helping to further develop the role, and in exploring their own development needs. We are thus looking for candidates with a proven track record of successfully working as Advanced Practitioners, and who will be a good fit with our practice team.

You would be joining a friendly and dynamic practice team, with a well-established culture of holding the patient and their family at the centre of all that we do. We are an organised team. We have a strong community focus with multi-disciplinary team working. We are a leading practice for the Homeless patients of Derby City.

We are an experienced GP training and teaching practice and mentoring and supporting staff is very much a part of our everyday practice.

If you would like to be considered for this post, please submit your CV and covering letter for the attention of Sue Altoft, Practice Manager. We would welcome enquires on an informal basis by contacting Sue Altoft, Practice Manager ([sue.altoft@nhs.net](mailto:sue.altoft@nhs.net)) or GP Partner Dr Drew Smith ([drew.smith@nhs.net](mailto:drew.smith@nhs.net)) or on Tel: 01332 294141

**The closing date for applications is Friday 26 July 2019**
