

Hello everyone

I am Kalindi-Krishna Tumurugoti and I am predominantly a Nottingham based Portfolio GP. I work as part-time salaried job in Derby and do sessional and out of hours work in Nottingham.

I am delighted to introduce myself as a new representative on GPC UK Sessional GP subcommittee from East Midlands. Sessional GP subcommittee looks after issues related any GP, who is not a principal and we work closely with our parent committee, GPC UK. Issues with representation of sessional GPs have been widely recognised by GPC and all LMCs and Richard Vautrey, Chair of GPC UK and Zoe Norris, Ex-Chair of Sessional GP Subcommittee have written to all LMCs to look into addressing these issues. LMCs are instrumental in representing all GPs locally and I can't overemphasize the need to be members of your local LMCs, especially given the current changes in the contract and PCN formation. I'd encourage everyone to get in touch with your respective LMCs and engage with them.

Sessional GP subcommittee's first meeting for the three year term has been held on 3rd July 2019. Following the election process, Dr Ben Molyneux and Dr Matt Mayer have been elected as Chair and Deputy Chair, respectively.

Over the next three years, the committee will be working on various key issues and our next meeting is scheduled for October 2019. From a regional perspective, I will be working closely with local LMCs and will keep you all updated. Please feel free to contact me through [twitter](#) or [GPC secretariat/BMA](#). Have a great summer and hope everyone has some time off.

Kalindi Krishna Tumurugoti
