

Longitudinal Support Network to Help Us Grow Generations of GPs

Do you want to INSPIRE and BE INSPIRED?

We are looking for enthusiastic **medical students, Foundation Doctors, GP registrars** and **GPs** at all stages in their career to join a new and exciting pilot project with the Derby and Derbyshire LMC and University of Nottingham.

What does it involve?

- Working with your “family” of contacts over a 5-6 month period (max 30-60 minutes per month)
- Meeting virtually or face to face with your contact over a period of 5-6 months
- Attending a launch event on Thursday 6th February 2020 6-8pm
- Attending a focus group on Thursday 11th June 2020 6-8pm

What do we need in our participants?

- Enthusiasm
- Passion and energy
- Forward thinking
- Team-work
- Communication skills
