

GENERAL PRACTICE FORWARD VIEW

General Practice Forward View network meeting Half day meeting for NHS England's GPFV staff

Monday 6 March 2017, 1-5:30pm (lunch from 12pm) | The Grand Connaught Rooms, London

A half day meeting bringing together the network of NHS England staff who are supporting and monitoring implementation of the General Practice Forward View.

Attendees will:

- Hear the latest updates on GPFV implementation from regional and national directors
- Share challenges and ideas with colleagues from around England
- Discuss ways to build on our approach to sharing learning through the GPFV network

Attendees are encouraged to use the evening of 6 March to continue networking with colleagues, and to join the next day's general practice transformation champions' event at the same venue.

Registration is essential for planning purposes so please ensure you register via the NHS England events [website](#)

12:00 Registration, lunch and networking

1:00 Welcome. Alex Morton, Director of Commissioning System Change & Public Health Commissioning

1:10 The GPFV - vision and purpose. Dr Arvind Madan, Director of Primary Care

1:25 The Year ahead. Rosamond Roughton, Director of NHS Commissioning

1:40 Your priorities: top questions. Share your top priorities with colleagues from other regions.

2:00 Regional updates. Each of the regional primary care leads will give an update on the approach to GPFV in their region and key questions for the future.

2:40 Break

3:00 Breakouts: workstream update and Q&A. Parallel breakout sessions hosted by national leads (David Geddes, Head of Primary Care Commissioning, Ian Biggs, Programme Director, Primary Care Workforce and Infrastructure Programme, Alex Morton, Robert Varnam, Head of General Practice Development). An opportunity for detailed Q&A and sharing of challenges and solutions between regions.

5:00 Supporting service redesign. Recommendations for supporting large scale multi-year transformation in general practice.

5:15 Future for the network. Discussion of proposals regarding maintaining communications and supporting your needs.

5:30 Close and plans for tomorrow
