The RCGP Vale of Trent Faculty is repeating last year's successful recruitment event...

GP Jobs 'Speed Dating'

Village Hotel, Nottingham

On 26 June 2019, final year GP Registrars from Nottingham, Derby, Mansfield, Boston, Lincoln and beyond will be gathered together for the annual RCGP Vale of Trent AiT Conference.

The GP Jobs 'speed dating' session will include GP Registrars rotating from practice to practice when the bell rings, making connections with potential employers.

Over 50 newly qualified doctors are expected to attend.

Practices from the region are invited to join our new GPs for this innovative recruitment workshop.
